

Rexel Promax Shredder V65WS Confetti Cut

Overview

More shredding, less emptying. The Promax has unique compaction technology which forces the paper downwards as the bin fills, maximising the bin's capacity. The static compaction plate also keeps the shredded paper neatly in the bin when you remove the head, which avoids shredded paper overflowing onto the floor. The Promax is stylish with an ultra quiet motor - perfect for the modern professional home office.

Features

- Automatically compacts shredded paper
- Confetti-cut (4x34mm pieces) for maximum security
- Shreds 5 sheets at a time
- Shreds credit cards
- Ultra quiet operation
- 23 litre bin capacity (220 sheets)
- Accepts staples and paper clips
- Auto stop when bin is full alerts user to empty bin
